Summary

Full stack web developer learning new technologies to better improve my ability to create well maintainable web apps. I think creatively and logically when creating web apps to best suit the overall user experience as well as the best way to integrate the backend and frontend together.

Technical Skills

JavaScript ES6, CSS, React.JS, MySql, NoSql, Mongoose, Graphql, Express.JS

Projects

AirPollution |
https://github.com/Callank21/group-project |
https://callank21.github.io/group-project/index.html |

- **Summary:** An app for easily recognizing the air quality by searching by zip code or city. As it will display a quick and easy to view representation of how the air quality is near or at that location.
- **Role:** Frontend API integration
- **Tools:** HTML, CSS, JavaScript, TailwindCSS

Park Place |
https://github.com/SalvadorBanuelos424/Park-Place-master-planned-community |
https://park-place-association.herokuapp.com/ |

- **Summary:** A place for residents to login and access a calendar to reserve areas around their community as well as easy way to advertise Park Place community through the gallery
- **Role:** Backend
- **Tools:** HTML, Handlebars, CSS, JavaScript, TailwindCSS, Express.Js and MySql

Counselor Reservations |
https://github.com/uhMammoth/school-website |
https://mern-school-website.herokuapp.com |
- **Summary:** An app for highschool students to view and schedule times with a counselor
- **Role:** Frontend backend integration
- **Tools:** HTML, React.JS, CSS, JavaScript, TailwindCSS, MongoDB, Mongoose, and Express.JS

Experience

Allegra Image360   **2021-2022**
Associate   **Corona, CA**
Played many roles including, designing, printing, and installing signs and decals as well as worked on adding products to their website using some HTML and CSS.
Key Accomplishments:
- Worked with many customers to help envision their desired design
- Coordinated with a team to make customers designs a reality
- Trained new employees to install decals or signs

Education

Certificate, Full Stack Web Development - University of California, Riverside

High School Diploma - Corona Highschool
